YUPOilluminate

Synthetic UV Inkjet Wide Format Paper

YUPOilluminate

Think Big

When you need the durability and performance of waterproof synthetic paper, but your project is a large-format poster or banner and typical paper sizes just won't fit your specs, it's time to try YUPOilluminate. YUPO® Corporation is constantly developing new synthetic paper solutions to fit all of our customer's needs and YUPOilluminate is one of our newest additions to the lineup.
